

AUTOMOTIVE BULB INSTRUCTIONS

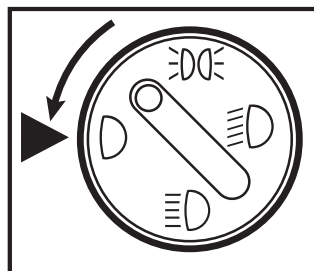

When fitting a replacement bulb, whether it be a headlamp bulb or an auxiliary bulb, certain precautionary steps need to be followed.

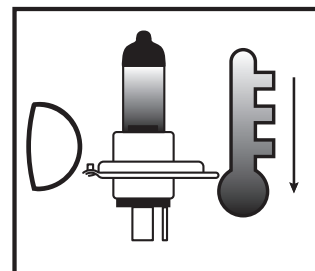

Step 1
Refer to the
vehicle handbook

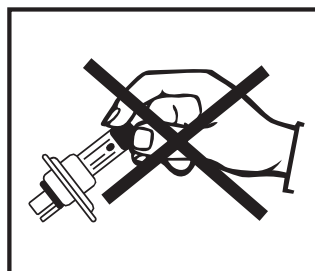

Step 2
Always fit in pairs
(when applicable)

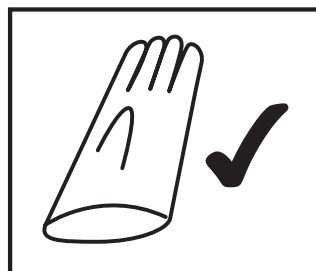

Step 3
Turn lights off

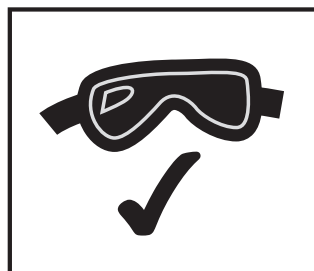

Step 4
Allow the bulb cool down

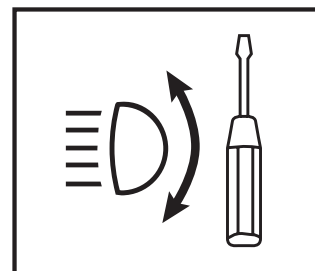

Step 5
Don't handle the glass

Step 6
Wear gloves

Step 7
Wear goggles

Step 8
Realign headlights
after fitting
