RFN WARRIOR SX-E400 KIDS Electric MX

The Apollo production company was founded in 2003, focused on R&D, manufacturing, sales in the international off-road motorcycles and ATV trade. The company is located in Zhejiang, China, employs over 400 employees including almost 100 technicians and the factories are capable of supplying over 1000 units per day. Distribution now spans the globe, in 75 countries with over 1.5 million units in the market. Apollo already boast the number one spot for exports of off-road vehicles out of China.

The RFN ‘WARRIOR’ SX-E400 is delivering a premium high powered 36V KIDS Electric MX motorcycle at an affordable price. The RFN ‘WARRIOR’ SX-E400 utilizes a ‘Direct Drive’ to deliver the power to the wheel, thus operating efficiently. Range is up to 11 miles / or 2 Hour in Eco Mode which limits power to optimize range. As rider confidence grows the power can be increased. To add safety there is a lanyard ‘Power Off’ as well as a cover to lock the power once set by the parent, plus a chainguard to protect little fingers. Additional design features are vibrant & child oriented colour options and MX styling, a wide swing arm for wide anti-slip tyres. Whether on Grass, Mud, Sand, the ‘WARRIOR’ MX is designed to withstand the challenges ahead on your little ones adventures. The RFN ‘WARRIOR’ SX-E400 is suitable for riders of 3 to 6 Years or 90 to 110cm. Maximum rider weight 50Kg. Full range of parts and accessories available.

For off road use only, on designated tracks or private land, with land owners permission.
