RFN 'WARRIOR' 14" SX-E700 R SM 700W / 36V / 7.5Ah KIDS Electric Supermoto

RFN WARRIOR SX-E700 R SM KIDS Electric Supermoto

The Apollo production company was founded in 2003, focused on R&D, manufacturing, sales in the international off-road motorcycles and ATV trade. The company is located in Zhejiang, China, employs over 400 employees including almost 100 technicians and the factories are capable of supplying over 1000 units per day. Distribution now spans the globe, in 75 countries with over 1.5 million units in the market. Apollo already boast the number one spot for exports of off-road vehicles out of China.

The RFN Warrior range of kids electric bikes has quickly become the UK's fastest selling MX style machine, after initial customer feedback we are pleased to announce the new SX-E700 R special editions. Featuring a host of special upgrades and new colour options: Black Edition or Racing Orange. The SX-E700 R SM boasts a larger motor with 200W more peak power, larger battery of 36V 7.5AH, offering range up to 15.5 miles or 1 Hour in Eco Mode which limits power to optimize riding time. Upgraded hydraulic disc brakes front and rear, new 'fun' LED side light, handle bar pad, CNC heavy duty alloy foot rests, and a Fast Ace adjustable rear shock. To add safety there's a lanyard 'Power Off' and a 3 level speed setting which can be increased as the rider increases in confidence. Specifically designed for 'Tarmac' style track riding, the 'WARRIOR' Supermoto delivers a new level of performance for indoor and outdoor racing. The RFN 'WARRIOR' SX-E700 R SM is suitable for riders of 4 to 8 Years or 100 to 120cm. Max rider weight 50Kg. Full range of parts and accessories available.

"More power, more range, improved handling, the new E700 R series brings significant upgrades over the standard SX-E series"

For off road use only, on designated tracks or private land, with land owners permission.
Urban Moto Ltd don't condone the use of these bikes for anything other than that stated by the manufacturer.
